

Electoral Policy Asks

Current Challenges

- ✓ Rising Cost of Living - increased financial strain
- ✓ Increased demand on charitable support
- ✓ Higher travel & accommodation cost for off-island treatment
- ✓ Sustainability of funding in a small island community
- ✓ Restricted funding of local Cancer Prevention Services

Collaboration
between Government
& Local Charities is
vital

Jersey Cancer Relief
ensures no Islanders
face cancer alone due
to financial hardship

Policy Asks

- ✓ Recognition of financial burden faced by clients requiring off-island treatment
- ✓ Continued Partnership between Government of Jersey & Local Charities
- ✓ Protection of funding and policies that support vulnerable islanders
- ✓ Commitment to meet with Jersey Cancer Relief to understand challenges
- ✓ Commitment to improve Local Cancer Prevention Services
- ✓ Supporting the effective delivery of the Islands Cancer Strategy

Electoral Support

- ✓ Visit the Charity to learn more about the work we do
- ✓ Raise awareness of the Jersey Cancer Relief services within the Community
- ✓ Champion policies that reduce financial hardship for islanders
- ✓ Maintain open dialogue with the charity if elected

Demand for
financial support
is increasing
along with the
Cost of Living
